The Meeting.

Important. If you feel unwell, please do not attend.

Your committee has spent considerable time planning this meeting for your safety. Please follow these directions for everyone's safety and to conform with Government regulations.

When lining up, please keep a Covid Safe distance of 1.5 metres from others and note the Covid Safe signage. When you enter there will be 2 signing-in tables, one on each side of the door. Go to the vacant one and use the hand sanitiser before signing the register. You must sign and enter a telephone number or email address. Name badges will be on a separate table, only take yours and then go straight to a seat. Seats will be spaced 1.5 metres apart and must not to be moved even for couples. **After the meeting follow the directions of the chairperson leaving the seats in place.**

We thank you for following these directions and know that they are pedantic. However, by following these basic government directions, you will help keep yourself & others safe.

The Revised BHS Constitution.

After consulting with our members in March and April, our revised Constitution was attached to the May 2020 Bulletin. At the August meeting you will be asked to vote for or against the revised constitution as presented. There will be no further discussion. If you need another copy of this, please contact our secretary **Margaret Ford**, email burnsidehistorysoc@gmail.com or Tel. **0438 838 894**

If you change your address, telephone number or email, please advise **Margaret Ford. In addition to normal communication, any change in restrictions may need us to contact you **urgently**.**
